

How To Find Us

ZEAL

From the A12

Leave the A12 at Junction 26 and follow the A1124 Essex Yeomanry Way towards Colchester. Stay in the right-hand lane and turn off left at the teardrop (signposted B1408). Continue to the next two roundabouts and go straight across both of them. Then at the last roundabout, take the 3rd exit, signposted Tollgate Barn Only. Take the first right and you will see our car park on your left. **Well done you've found us!**

From Colchester

Leave Colchester Town centre heading West towards Tollgate on the A1124. At the first roundabout go straight across. Continue to the traffic lights and go straight on. Go straight across the next 2 mini roundabouts and take the 2nd exit at the next roundabout onto London road. Continue to the next roundabout and take the 1st exit. Continue forward then take the 3rd exit at the next roundabout, signposted Tollgate Barn Only. Take the first right and you will see our car park on your left. **That's us!**

Please note: You won't find us easily on Google Maps as we've had a change of postcode due to a new road being built. Google has yet to update this.
